

ENH 2201 / EN 2102 – Enhancement III (Entrepreneurship)

Supplementary Assignments to attempt for those who have missed attendance and would like to claim the attendance through assignments.

The following two supplementary assignments are given with the intention of allowing the students who do not have the required attendance to complete the attendance component of the course ENH 2201 / EN 2102 – Enhancement III (Entrepreneurship).

Each assignment scores up to one day of attendance. Hence, if you complete both the assignments correctly, you will be claiming for two days of attendance.

Supplementary Assignment 1

Identify an Entrepreneurial organization that is manufacturing a product which is positively affecting sustainability and write a **five-page report** on how that entrepreneurial initiation has affected the world in the means of sustainability. Hence, explain why it is important for entrepreneurial ventures to address sustainability issues.

You may use Times New Roman font with 1.5 line spacing and 12 font size.

Supplementary Assignment 2

Write a **five-page reflection** on the following topic taking examples as you like.

"Identifying a new idea for a new business/ startup is a balance between 'what you are good at' and 'what the world needs'"

You may use Times New Roman font with 1.5 line spacing and 12 font size.

The deadline for submission for both assignments is on or before **11.59pm on the 24th March 2023**.
